

## Art/Mixed Media *Ages 4-7*

Creativity is critical in development and Art is a great way for creative expression. It allows the participant to embrace their imagination, self fulfillment and connection. For an individual who might have underdeveloped communication, sensory integration challenges or a lack of focus which can inhibit their ability to learn and engage, our Art/Mixed Media program offers a safe opportunity to overcome these difficulties and take pride in a new skill.

In this unique art program we share examples of famous artist and their various styles and offer our young artists a chance to mimic some of these in their own way. We will explore various artists from the works of the Group of Seven to Andy Warhol.
