RE: Thank you

Dear Amy:

I would like to take the opportunity to thank you for not only participating in The City of Mississauga's "Two Days of Awesome -Learning and Working Together" training sessions for community centre staff and older adult leaders, but for your cooperation in the preparing a custom session that met the needs of our targeted audience.

I would like to share a few of the comments from our evaluation.

*"Amy's presentation was excellent, exciting and encouraging"*

*"Reactivating Recreation was great! Made me think of a number of opportunities that we could implement"*

*"Really enjoyed Amy's presentation. She had great energy/passion which kept me engaged"*

Once again Amy, thank you and I look forward to future training opportunities.

Sincerely,

Lorena Smith
