RecreACTIVE

Therapeutic Recreation Programs

Gamers Club *Ages 8-10 and Ages 11-13*

Gamer's Club program was developed by our RecreACTIVE team to create a unique gaming program for young boys with Autism (8-13 years of age). This program works on the goals of self efficacy building, stress management, team building, focus, concentration; social awareness and mind/body connect.

Building these skills in young children with special needs, will maximize their capacity for positive interactions and overall recreational and social engagement.
