**Position:** Recreation Therapist

**Status:** Part Time/Permanent

**Location of Employment:** Peel Region: Mississauga, Brampton

Recreational Respite provides meaningful respite solutions through therapeutic recreation support: 1:1 and group programs. The services are provided within our clients' home or in various community settings. Our team works with individuals who have various cognitive (memory or acquired), physical impairments or challenges, developmental or intellectual disability and complex mental health: children, youth, adults and older adults. Our team members are an integral part of our team at Recreational Respite. They possess a unique and skilled ability to develop, implement and evaluate innovative therapeutic programs that respond to individualized needs, interests, strengths and abilities of our clients.

RESPONSIBILITIES (but not limited to):

- Must be able to identify needs, abilities, strengths and interests and adapt programming on a client to client basis with a strong focus on family and caregiver advocacy.
- Plan, implement and ongoing evaluation of therapeutic programs
- Must have proven programming techniques to improve the physical, cognitive, emotional and social and leisure needs of our clients
- Ensure to operate in compliance with the relevant policies and procedures of Recreational Respite.

QUALIFICATIONS:

- Effective verbal and written communication and interpersonal skills
- Strong organizational skills and the ability to work independently
- Possess strong documentation skills
- Current Standard and/or Emergency First Aid and CPR certification
- Police Check

Reliable means of transportation is a must

EDUCATION:

- Degree, Health Science, Social Services or other health care relevance
- Diploma, Therapeutic Recreation
