

Sensational Senses

Sensational Senses will offer unique look at our 5 senses through various activities. Learn about the **sense of taste** through taste tests of spicy, bland, sour, sweet, and bitter items, learn about the **sense of smell** through a smelling guessing game, learn about the **sense of touch** through sensory activities and games, learn about hearing through sound painting and music and drama activities, and learn about the **sense of sight** through brain teasers and science experiments.
